## REFEREE CANDIDATE FORM

---

In order to keep a full and active pool of referees, each team playing in the Cy-Fair Soccer Club is required to submit a referee candidate every season, based on our state association's rules. A referee candidate can be anyone over the age of 12 years and can be a coach, parent, sibling, teenager, friend or anyone you know. That person must attend a certification class and referee a certain number of games to qualify.

All Kindergarten through U10 teams must make sure the ref candidate becomes certified before Sept. 30 and referees at least 6 games that season.

All division II and III teams must complete and mail this form to the TYSA administrator:

TYSA Administrator  
10807 Jones Rd. #195  
Houston, TX 77065

Be sure to forward a copy to the Cy-Fair office and keep a copy for yourself.

After the candidate is certified (again, by Sept. 30), call Cy-Fair's Referee Assignor, Dave Kirkendall, at 281-351-5562 so he can start assigning him or her to games. It is the coach's responsibility to confirm that his/her ref candidate has completed the required number of games to be eligible for the TYSA playoffs. *From the TYSA rule book:*

5.16 Each Member Club shall provide to the TSRA one (1) candidate for referee training for each registered team. No team will be allowed to participate in any Association or STYSA play-off without an active trained referee affiliated with that team. An active trained referee is an individual who has attended the required training clinic; is available to the club referee scheduler for game assignments prior to the completion of 50% of the regular playing season; and, who has refereed at a minimum, a number of games equal to 50% of his affiliated team's regular season games
